ever since. Hence, it is my debt of honor to be elected as the first President of the India chapter of Akamon-Kai. The first Board of Directors was constituted and Ambassador Saiki was nominated as our Patron and Honorary Chairman. The Executive Committee (office bearers) was elected and the by-laws for the functioning of our Association were adopted.

By March 2013, we propose to provide the Indian alumni with an updated directory of alumni with a web

Mr. Yoshino with JISC students during the visit to Sony India

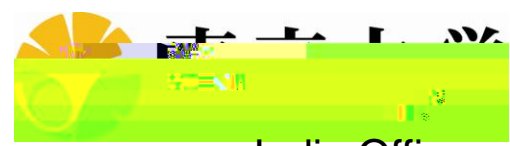

Prof. VijayRaghan, the chief guest

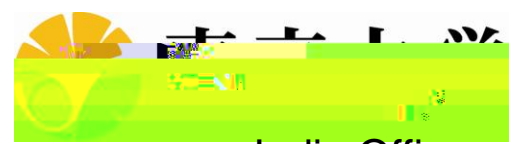

Prof. Jonathan Woodward and Associate Prof. Di Su talking to people at the Todai booth

Prof. Esaki, Graduate School of Information Science and Technology

This was followed by presentations by each

engineering perspective. The primary aim of this programme is to nurture well rounded environmental specialists who can design and implement integrated approaches towards current and future environmental issues.
