UAEU

CHALLENGE FOR INNOVATION

January 5-13, 2019
United Arab Emirates University,
Al Ain, United Arab Emirates

WHAT

Challenge for Innovation is a competition held in the UAEU Science and Innovation Park. For one immersive week, teams are provided with workshops, mentoring, coaching to transfer their ideas into a business solution that offers an innovative product or service with high technological content to solve problems related to strategic issues. The focus of this year challenge are

1) Public Health;
