

Web application for Bicycle Permits Q&A

	Q	A
About logging in	<p>1 Faculty and staff who have UTokyo Account can log in to other sites, but cannot log in to the Web application for Bicycle Permits.</p>	<p>If you have not registered an email address in Personnel Information System, your request will not be authenticated. Please register your e-mail address using the Personnel Information System My Page or apply from "Those without UTokyo Account (Non-university personnel)". Your browser may not be supported. (e.g. Internet Explorer) The operating environment is as follows, so please try it in the following environment.</p>
	<p>2 The registration and decision icons cannot be clicked on the login screen or the screen after logging in.</p>	<p>Smartphones OS: Android OS, iOS (Japanese version) Browser: Chrome, Safari PC OS: Windows 10 (Japanese version) Browser: Chrome</p>
	<p>3 While entering the email address, _____ is displayed. (Please type in using the form of an email address.)</p>	<p>The hyphen in the email address may be in the full-width character or a special character may be used. Please send a report using this form. https://forms.office.com/r/7NNecArZwz</p>
	<p>5 (University personnel) I would like to apply for multiple bicycle parking permission.</p>	<p>Only one bicycle per account may be registered using the system. If you wish to apply for multiple bicycles for purposes such as sharing a child's bicycle with a family or for commuting, commuting to school, or moving on campus, you will need to apply using a separate account (from "UTokyo Account Holders" and "Those without UTokyo Account", or using 2 different email addresses with "Those without UTokyo Account".) to apply. In principle, it is one bicycle per person. If you are applying for a laboratory or on-campus department, please refer to "No. 7 About official bicycles." below.</p>
	<p>6 (Non-university personnel) I would like to apply for multiple bicycle parking permission.</p>	<p>On the system, One bicycle per one e-mail address. Please enter information from those who do not have a UTokyo Account in the web application and bring the one that can confirm the work to the Hongo campus to the Environment Group counter. It is also possible to bring it together. In that case, it is smooth if you prepare the applicant's name in the list. * Only site agents are allowed for construction personnel. Application should be made by the person in charge of the department and not from the web application. Please refer to this page. (UTokyo Portal. Limited to university personnel.) https://univtokyo.sharepoint.com/sites/utokyportal/wiki/d/bicycl e_and_bike_parking_permit.aspx#</p>
