

UTokyo Amgen Scholars Program 2025

Host Laboratory and Research Topic

Name of Faculty Member (Title) Keitaro TANOI (Professor)

Name of Graduate School/
Faculty/ Institute Graduate School of Agricultural and Life Sciences

Research Topic & Description Mutagenesis of Fluorescent Proteins

DNA: extraction and purification; electrophoresis; Recombinant DNA technology(Gene Cloning); Polymerase Chain Reaction (PCR); UV/VIS Spectrophotometry.

Campus / Location Hongo / Yayoi

Area of Research
